John A. Vukich, MD

- **Education**

- **Ophthalmology Residency**

1986- 1989 Univ. of IL Eye & Ear Infirmary Chicago, IL

Transitional Residency 1985- 1986 St. Luke's Hospital
Milwaukee, WI

Doctor of Medicine 1981- 1985 Emory Univ. School of
Medicine Atlanta, GA

Bachelor of Arts, Psychology 1977-1981 Emory
University Atlanta, GA

- **Accreditation**

Diplomat American Board of Ophthalmology,
1990-present

- **Medical License**

Wisconsin #30091-20
Minnesota #64994
Colorado #CDR0000297
Arizona # 58086

- **Professional experience**

2020- present Founding Partner Summit EyeCare of
Wisconsin
1990 - 2019 Director of Cataract and Refractive Service
Davis-Duehr Dean, Dept of Ophthal Madison, WI
1989- 1990 Madison Eye Associates, Madison, WI

- **Professional memberships**

International Intraocular Implant Club (IIIC)
Founding Member
American European Congress of Ophthalmic Surgery
American Academy of Ophthalmology
American Society of Cataract and Refractive Surgery

European Society of Cataract and Refractive Surgery
Middle East African Council of Ophthalmology
International Society of Refractive Surgery
Optical Society of America
Wisconsin Academy of Ophthalmology
American Medical Association
Association for Research in Vision and Ophthalmology
State Medical Society of Wisconsin

**Professional
activities**

Adjunct Clinical Assistant Professor
Michigan College of Optometry
Ferris State University
2022 - present

Partner Central American Ophthalmic Research
Consultants 2019 - present

Board Chairman American European Congress of
Ophthalmic Surgery 2017-2019

President American European Congress of Ophthalmic
Surgery 2015-2017

Chairman ASCRS Refractive Surgery Clinical
Committee, 2015-2020

ASCRS Governance Committee 2015 - 2020

Program Director ASCRS Refractive Day, 2018,
Washington DC, April 2018

Program Director ASCRS Refractive Day, 2017, New
Orleans, March 2017

ASCRS Refractive Surgery Clinical Committee Member
2011 - present

Associate Editor EyeWorld Magazine, International
Section, 2011- 2016

International Medical Advisory Board, Optical Express,
2006 - present

Editorial Advisory Board, Cataract and Refractive
Surgery Today 2008 - present

Senior Medical Advisor Staar Surgical 2003- present

Chairman Scientific Advisory Board, Acufocus Inc.
2012- present

ASCRS Film Festival Chief Judge, ASCRS San Diego,
CA, March 2011

ASCRS Film Festival Judge, ASCRS Boston, April 2010

Program Director, 2004 meeting of the American
Academy of Ophthalmology Refractive Surgery Interest
Group, New Orleans, LA, October 2004

Program Director, 2003 meeting of the American
Academy of Ophthalmology Refractive Surgery Interest
Group, San Diego, CA, November 2003

Ex-officio member of American Academy of
Ophthalmology Refractive Surgery Executive Committee,
2002-2004

Program Director, 2003 meeting of the International
Society of Refractive Surgery Symposium in conjunction
with the European Society of Cataract and Refractive
Surgery, Munich, Germany, October 2003

VISX Advisory Group member. 2003-2018

Program Chairman, 2002 meeting of the International
Society of Refractive Surgery, Orlando, FL, October,
2002

Surgical Director, Davis Duehr Dean Refractive Surgery
Center, Milwaukee, WI, 1998 – 2019

Medical Monitor, Staar Surgical Implantable Contact Lens FDA clinical trials, 1999 - 2018

Certification and Surgical Trainer, Staar Implantable Contact Lens, 1998 – present

Certification and Surgical Trainer, Sunrise Laser, Laser Thermal Keratoplasty (LTK), 2000 - 2001

Residency Director, Davis Duehr Dean Cornea and Refractive Surgery Residency, Graduate Optometric Residency affiliated with the Illinois College of Optometry, 1999 - present

American Society of Cataract and Refractive Surgery Governmental Relations Committee Member 2001-2006

International Society of Refractive Surgery, Education Committee Member, 2000-2004

International Society of Refractive Surgery, Chairman, Phakic IOL, Skills Transfer Section, 1999-2004

Wisconsin Peer Review Organization, Ophthalmology Reviewer, 1995- present

Joint Allied Commission for Ophthalmic Assistant Personal, Skills Evaluator and Instructor, 1995- present

Book Reviewer for Archives of Ophthalmology, 1992-2001

Consultant/Reviewer for Archives of Ophthalmology, 1987-1988

Consultant/Reviewer for Journal of Refractive Surgery, 2001- present

Consultant/Reviewer for Journal of Cataract and Refractive Surgery, 2002- present

Chairman Investigational Review Board, Davis Duehr Dean Surgery and Care Center, 1995-1998
Optical Express United Kingdom, Medical Advisory

Board Member

Chief Medical Monitor Staar Surgical ICL clinical trials

Chairman Scientific Advisory Board, AcuFocus Inc.

American Society of Cataract and Refractive Surgery,
Executive Refractive Surgery Committee Member

Journal of Refractive Surgery, Editorial Board Member

AAO Preferred Practice Pattern Refractive Error
Management, Committee Member

Cataract and Refractive Surgery Today, Physician
Education Director

Cataract and Refractive Surgery Today, Executive
Editorial Advisory Board

Video Journal of Ophthalmology, Editorial Board
Member

EyeTube Web based video journal, Editorial Board
Member

Clinical Trials

Outside of U.S., First-in-Man and Early Clinical Trials, Principal Investigator

Horizon Robotics Cataract Surgical system
First in Man Cataract Surgery
El Salvador, 2025

Jellisee Accommodative IOL
Quest Study Principal Investigator
First in Human trial
December 2022

Zeiss Hecate A study.
Innovative IOL trial
February 2022
San Salvador, El Salvador

Johnson and Johnson Vision
Innovative IOL Trial
Q2 2022
San Salvador, El Salvador

ViaLase
Innovative Glaucoma Trial
November 2021
Santa Rosa de Copan, Honduras

Alcon -E003 Paris Study
Innovative accommodative IOL trial
December 2020 - present
San Salvador, El Salvador

CorneaGen Endothelial Cell Therapy Trial
Cultured human endothelial cell treatment for
Fuchs and Bullous Keratopathy
November 2020, El Salvador

iDrop CO-2 trial
Innovative pharmaceutical trial
May 2020 – present
San Salvador, El Salvador

Alcon ILR286-E001
Innovative IOL trial
April 2020 - present
San Salvador, El Salvador

Johnson & Johnson Vision ALPI-101-SYST
FIM phaco trial
May 2020 – present
San Salvador, El Salvador

Johnson & Johnson Vision NZXGT-101-MER4
Innovative IOL trial
June 2018 – April 2019
San Salvador, El Salvador

Johnson & Johnson Vision NXGT-101-MER3
Innovative IOL trial
June 2018 – April 2017
San Salvador, El Salvador

Johnson & Johnson Vision NXGT-101-MER2
Innovative IOL trial
March 2018 – April 2017
San Salvador, El Salvador

Johnson & Johnson Vision NXGT-101-MER1
Innovative IOL trial
March 2018 – April 2017
San Salvador, El Salvador

LIRIC trial
Clerio Vision refractive index shaping trial
February 2018 – December 2019
San Salvador, El Salvador

US Based Clinical trials Principal Investigator

Zeiss monofocal IOL, US FDA Phase III Clinical Trial
Primary Investigator, 2019

AcuFocus IC-8 IOL, US FDA Phase III Clinical Trial
Primary Investigator, Medical Monitor, 2019

Zepto capsulotomy device. US FDA 510K clinical trial
Principal Investigator, 2016

VisuMax Femtosecond Laser for Treatment of Myopia
with Astigmatism January 2015 - 2019 US FDA Phase
III Clinical Trial Primary Investigator

VisuMax Femtosecond Laser for Treatment of Myopia
January 2013 - 2019. US FDA Phase III Clinical Trial
Primary Investigator

AcuFocus Corneal Inlay for the Treatment of Presbyopia,
January 2008-present. US FDA Phase II and III clinical
Trial Primary Investigator

Alcon Acrysof Angle-Supported Phakic IOL, US FDA

Phase III Clinical Study Primary Investigator, May
2006-Present

Alcon Nevanac for the prevention of Macular Edema in
Patients with Diabetes. US FDA Phase IV, Clinical Trial
Primary Investigator, November 2008 - 2011

Visiogen Synchrony Accommodating IOL , US FDA
Phase II and III Clinical Trial, Primary Investigator,
September 2004-2008.

TetraFlex Accommodative IOL, US FDA Phase III
Clinical Study, Primary Investigator, October 2005-2008.

Zeiss Mel 80 Excimer Laser US FDA Phase III Hyperopic
Clinical Study 2006-2009

Zeiss Mel 80 Excimer Laser US FDA Phase III High
Myopia Clinical Study 2006-2009

Zeiss Mel 80 Excimer Laser US FDA Phase III Mixed
Astigmatism Clinical Study 2007

Staar Myopic Visian ICL Preoperative and Postoperative
Axial Length Post Approval Substudy November
2006-2009

Augmen Biopharmaceuticals, DYME US FDA Clinical
Study January 2008-2010

Visante Anterior Chamber OCT for Evaluation of the
Staar Implantable Collamer Lens, Clinical Investigator
October 2005-2008

Visante Anterior Segment Optical Coherence
Tomography, US FDA Clinical Study, FDA 510K Clinical
Investigator, January 2005

Staar Implantable Collamer Lens for
Myopia/Astigmatism, US FDA Phase III Clinical Study,
Clinical Investigator, March 2002- 2005

Staar Implantable Collamer Lens, United States FDA
Phase III Myopia clinical investigator, 1998- 2005.

Staar Implantable Collamer Lens, United States FDA
Phase III Hyperopia clinical investigator, 1999-2005.

Sunrise Holmium Laser for the treatment of Hyperopia.
Independent IDE, 2000- 2001.

Betaxolol clinical trials, Alcon 1987.

Apraclonadine clinical trials, Alcon 1989.

- **Administrative Experience**

Premier Insurance Corporation, Executive Finance
Committee Member, Madison, WI., 2002- 2008

Premier Insurance Corporation, Board of Directors
Member, Madison, WI., 1999- 2008

Chairman, Compensation Committee, Dean Health
Systems, 1992-1999

Budget and Finance Committee, Dean Health Systems,
1997- 2001

Medical Group Management Association Leadership
Course Series, 1995-1996

Financial Task Force, Dean Health Systems, 1991-1995

Legislative Committee, Dean Health Systems, 1993-1996

Recruitment Committee, Dean Health Systems,
1991-1993

- **Awards received**

Dulaney Award and named lecture, American European
Congress of Ophthalmic Surgery, 2019

Best Doctors in America 2003-2019

American Academy of Ophthalmology Senior
Recognition Award 2011

Best Paper of Session, Understanding Human
Accommodation, Middle Eastern African Council of
Ophthalmology Meeting, March 2009, Bahrain

STAAR Surgical Innovators Award, 2007

Who's Who 2006 to 2019

Top 50 Most Influential Ophthalmologists, 2006-2008 as
voted on by peers in Cataract and Refractive Surgery
Today Poll

Madison Magazine, Top Doc, 2000-2016 Award based on
survey of Wisconsin physicians choice of top specialists
in various fields

American Academy of Ophthalmology Achievement
Award, 2004

Best Paper of Session, Alternatives to Zernicke
Polynomials to Describe Optical Wavefronts, ASCRS,
San Francisco, April 2003.

Best Paper of Session, Understanding the posterior
corneal surface, AUSCRS, Palm Cove, Australia, July
2000

Visx Staar, 1999 Awarded to top 5% of refractive
surgeons in the United States

Senior Resident Award for Outstanding Teaching, Univ.
of IL Eye & Ear Infirmary, 1989

- **Innovations**

First Toric Implantable Contact Lens in US Clinical trial,
September , 2002

First Toric Implantable Contact Lens in United States,

compassionate protocol, August, 2000,

First Implantable Contact Lens in state of WI, September, 1998

First LASIK Surgery in state of WI, 1995

Vukich Implantable Contact Lens Positioning Paddle, ASICO Instruments

Vukich Implantable Contact Lens forceps, ASICO Instruments

Vukich Cortex Extractor, Storz instrument catalog

- **Instructional Courses**

Co-Instructor, Automated Anterior Capsulotomy Options ASCRS, San Diego, May 2019

Moderator: Dilemmas and Challenges in Refractive Lens and Cataract Surgery, ASCRS, Washington DC, April 2018

Senior Instructor, Understanding Small Aperture Corneal Implant Technology: From Indications to Outcomes, AAO Chicago, IL November 2012

Co-Instructor, Phakic IOLs, AAO, Orlando, FL October 2011

Senior Instructor, Refractive Surgery Challenging Cases, ASCRS co-sponsored course, AAO Atlanta, GA, November 2008

Co-Instructor, Advanced Corneal Topography for Refractive Surgery, ASCRS Chicago, IL April 2008

Senior Instructor, Optimizing results with Wavefront Guided Ablations, ASCRS Chicago, IL April 2008

Senior Instructor, Implantable Collamer Lens, ASCRS
Chicago, IL. April 2008

Senior Instructor, "Why I Offer Femtosecond Technology
To My Patients" ESCRS Berlin, Germany September
2008

Senior Instructor, ICL Course ESCRS Berlin,
Germany September 2008

Senior Instructor, "Biotics in Refractive Surgery"
ESCRS Berlin, Germany September 2008

Senior Instructor, Optimizing Wavefront Ablations With
Key Technologies and Techniques AAO New Orleans LA
November 2007

Senior Instructor, Custom Eximer Treatment for Complex
Eyes, AAO New Orleans, LA November 2007

Faculty Instructor, Now That You Have the Tools, How
Do You Get the Best Results, "Surgical Pearls for the Best
Safety and Efficacy with Phakic IOL's" AAO New
Orleans LA, November 2007

Senior Instructor, Staar Surgical ICL/Toric ICL
Certification Course 20th Annual Asia-Pacific
Associations of Cataract and Refractive Surgeons and The
Vietnam Ophthalmology Society Hanoi, Vietnam
September 2007

Senior Instructor, Optimization of Wavefront Guided
LASIK: Open Microphone Discussion with the Experts,
Congress of the ESCRS Stockholm, Sweden, September
2007

Senior Instructor, Implantable Collamer Lens
Certification Course, Congress of the ESCRS Stockholm,
Sweden, September 2007
Faculty Instructor, Biotics in Refractive Surgery,
"Comparative Aberrations", Congress of the ESCRS
Stockholm, Sweden, Sept 2007

Senior Instructor, Bioptics in Refractive Surgery ASCRS
San Diego , CA April 2007

Senior Instructor, Corneal Vs. Intraocular Refractive
Surgery ASCRS San Diego April 2007

Senior Instructor, Advanced Clinical Corneal Topography
for Refractive Surgeons ASCRS San Diego, CA April
2007

Senior Instructor, Custom Cataract Surgery: Redefining
Visual Outcomes with Refractive Technology ASCRS San
Diego CA April 2007

Senior Instructor, Very High Frequency Echography in
Phakic IOL Surgery ASCRS San Diego CA April 2007

Course Instructor, ICL Surgery: Tips, Tricks, Special
Considerations, Saudi Ophthalmology Symposium March
2007

Course Instructor, Corneal Topography Made Simple,
Saudi Ophthalmology Symposium March 2007

Faculty Instructor, Role of Phakic IOL in a
Comprehensive Refractive Surgery Practice MEACO
Conference, Dubai March 2007

Moderator, Achieving Excellency and State of the Art in
your Practice Using the Toric ICL MEACO ICL
Symposium Dubai March 2007

Faculty Instructor, Phakic IOL's Emerging Technology in
Refractive Surgery, AAO Las Vegas, Nevada November
2006

Senior Instructor, Optimizing Wavefront Ablations with
Key Technologies and Techniques, AAO Las Vegas,
Nevada November 2006

Faculty Instructor, Visian Implantable Collamer Lens
Certification Course, Evanston Northwestern Healthcare,
Glenbrook Hospital, Glenview IL., October 2006

Faculty Instructor, Optimization of WaveFront Guided Lasik, ESCRS London, September 2006

Faculty Instructor, Merging Corneal and Lenticular Refractive Surgery; Understanding Today's Presbyopia and Cataract Treatment Alternatives, Patient Selection and Post-Implantation Enhancement Options. ASCRS Refractive Symposium Boston, MA., August 2006

Faculty Instructor, Pearls for Successful Implementation of Iris Registration Technology in Clinical Practice to Maximize Outcomes, ASCRS/ASOA San Francisco, CA., March 2006

Faculty Instructor, Anterior Segment Imaging with Optical Coherence Tomography, ASCRS/ASOA San Francisco, CA., March 2006

Faculty Instructor, Update on Posterior Chamber Phakic IOL's, ASCRS/ASOA San Francisco, CA., March 2006

Course Instructor, Implantable Contact Lens Surgical Technique, ASCRS/ASOA San Francisco, CA., March 2006

Course Moderator, Optimizing the Latest CustomVue Technology, Advanced Refractive Surgery Congress Whistler, British Columbia February 2006

Instructor, Visian ICL Training Course, Los Angeles, CA January 2006

Instructor, CustomVue Education Course, Tong Ren Hospital Beijing, China, December 2005

Instructor, CustomVue Education Course Sun Hospital Shenzhen, China, December 2005

Instructor, CustomVue Education Course Hong Kong Sanitarium Hospital, Hong Kong, China December 2005

Course Director, Visian ICL Refresher Course, AAO Chicago, IL October 2005

Course Instructor, Phakic IOL's: Emerging Technology in Refractive Surgery, AAO Chicago, IL October 2005

Course Director, Optimizing WaveFront Ablations with Key Techniques, AAO Chicago, IL October 2005

Course Director, International ICL Experts Symposium, ESCRS, Lisbon, Portugal, September 2005

Instructor, Optimizing Results with WaveFront Driven Ablations, ASCRS, Washington DC, April 2005

Instructor, The Emergence of Phakic IOL's ASCRS Washington,DC, April 2005

Symposium Director, Implantable Contact Lens Experts Meeting, Paris France, September 2004

Senior Instructor, Implantable Contact Lens Round Table, SASCRS, Sun City, South Africa, October 2003

Instructor, Management of corneal refractive complications. SASCRS, Sun City, South Africa, October 2003

Senior Instructor, WaveFront technology course, ESCRS, Munich, September, 2003

Senior Instructor, WaveFront technology course, ASCRS, San Francisco, April, 2003

Instructor, Principals of Orbscan Corneal Topography, ASCRS, San Francisco, April 2003

Instructor, WaveFront workshop, 20th Annual Current Concepts in Ophthalmology Vail, Colorado Meeting, March 2003

Senior Instructor, Custom Corneal Ablation with the VISX Excimer Laser, Wailea, Hawaii, January 2003

Senior Instructor, Implantable Contact Lens Certification Course, Hong Kong Sanitarium and Hospital, Hong Kong, China, November 2002

Senior Instructor, Implantable Contact Lens Certification Course, Tong Ren Hospital, Beijing, China, November 2002

VISX Wavefront diagnostic and PreVue Course, Program Director and Moderator, American Academy of Ophthalmology, Orlando, FL, October 2002

Senior Instructor AAO Course. The Implantable Contact Lens, American Academy of Ophthalmology, Orlando, FL, October 2002

Senior Instructor, ASCRS Course, The Implantable Contact Lens. American Society of Cataract and Refractive Surgery, Philadelphia, Penn., June 2002

Senior Instructor, ASCRS Course, Wavefront Analysis in Clinical Practice. American Society of Cataract and Refractive Surgery, Philadelphia, Penn, June 2002

Moderator, Implantable Contact Lens Roundtable, Users Meeting by invitation, ASCRS 2002, Philadelphia, Penn, June 2002

Co-instructor, Wavescan Wavefront Course, Pre-ASCRS Course sponsored by VISX, Philadelphia, Penn, May 2002

Senior Instructor, Comprehensive Orbscan II, full day course sponsored by Bausch & Lomb, European Society of Cataract and Refractive Surgery, Amsterdam, Netherlands, September 2001

Senior Instructor, Advanced Diagnostic Applications of Orbscan, Bausch & Lomb sponsored full day course presented 12 times at various locations across the United States, 2000 - 2001

Senior Instructor, Clinical Use of Orbscan II, AAO Course, American Academy of Ophthalmology, New Orleans, LA, November, 2001

Senior Instructor, Current Status of the Implantable

Contact Lens, AAO Course, American Academy of Ophthalmology, New Orleans, LA, November, 2001

Senior Instructor, ASCRS Course, Orbscan II in Clinical Practice. American Society of Cataract and Refractive Surgery, San Diego, CA, April 2001

Co-Instructor, ASCRS Course, LASIK Complications and Avoidance, Video Tips for Advanced Surgical Technique. American Society of Cataract and Refractive Surgery, San Diego, CA, April 2001

Senior Instructor, ASCRS Course, Implantable Contact Lens: The North American Experience and Live Demonstration, American Society of Cataract and Refractive Surgery, San Diego, CA, April 2001

Senior Course Director, Advanced OBSCAN Diagnostics, 3 hour Course Pre-Royal Hawaiian Eye Meeting, sponsored by Bausch & Lomb Surgical. January 2001

Director, Sunrise LTK certification and training course, Dallas, Texas, January 13, 2001

Co-Director, Sunrise LTK certification and training course, Scottsdale, AZ, January 6, 2001

Co-Director, Sunrise LTK certification and training course, Phillips Eye Institute, Minneapolis, MN, December, 2000

Chairman Program Committee, Davis Duehr Dean Clinical Challenges Day, Continuing Medical Education Course, November , 2000, Madison, WI.

Chairman, Moderator, Refractive IOL Session, International Society of Refractive Surgery, Dallas, Texas, October, 2000

Senior Course Director, Advanced OBSCAN Diagnostics, 3 hour Pre-AAO Course sponsored by Bausch & Lomb Surgical, Dallas, TX, October 2000

Senior Instructor, Clinical Use of Orbscan II, AAO

Course, American Academy of Ophthalmology, Dallas, TX, October 2000

Senior Instructor, Current Status of the Implantable Contact Lens, AAO Course, American Academy of Ophthalmology, Dallas, TX, October 2000

Senior Instructor, Glory LASIK Wet Lab, International Society of Refractive Surgery, World Congress Ophthalmology, Miami, FL, July 2000

Senior Instructor, ASCRS Course, Orbscan II in Clinical Practice. American Society of Cataract and Refractive Surgery, Boston, MA, May 2000

Instructor, ASCRS Course, The Moria Microkeratome: Digital Video Tips To Shorten the Learning Curve. American Society of Cataract and Refractive Surgery, Boston, MA, May, 2000

Senior Instructor, ASCRS Course, Implantable Contact Lens: The North American Experience and Live Demonstration, American Society of Cataract and Refractive Surgery, Boston, MA, May, 2000

Senior Instructor, ASCRS Course, LASIK Complications and Avoidance, Video Tips for Advanced Surgical Technique, American Society of Cataract and Refractive Surgery, Boston, MA, May, 2000

Chairman, Moderator, Davis Duehr Dean Clinical Challenges Day, Continuing Education Course, November 6, 1999, Madison, WI.

Senior Instructor, Clinical Use of Orbscan II, AAO Course #780, 1999 American Academy of Ophthalmology, Orlando, FL

Course Director, Phakic IOL Didactic Session, 1999 Fall World Refractive Surgery Symposium, Orlando, FL., October 23, 1999.

Course Director, Phakic IOL Wet Lab, 1999 Fall World Refractive Surgery Symposium, Orlando, FL., October

23, 1999.

Invited Faculty, LASIK Wet Lab Skills Transfer Course, 1999 Fall World Refractive Surgery Symposium, Orlando, FL., October 21, 1999.

Panelist, Corneal Topography & Quality of Vision, Session I, 1999 World Refractive Surgery Symposium, ISRS. Miami, July 18, 1999.

Chairman, Instructor, Innovations in Eyecare, Spring Seminar, Davis Duehr Dean, May 22, 1999.

Chairman, Instructor, ASCRS Course, Use of Orbscan Corneal Elevation Maps in Clinical Practice. American Society of Cataract and Refractive Surgery, Seattle, April 10, 1999.

Clinical Faculty, ASCRS Course, The Moria Microkeratome: Digital Video Tips To Shorten the Learning Curve. American Society of Cataract and Refractive Surgery, Seattle, April 12, 1999.

Chairman, Moderator Davis Duehr Dean Spring Seminar, April 26, 1998, Madison, WI

Chairman, Moderator Davis Duehr Dean Clinical Challenges Day, Continuing Education Course, October 24, 1998, Madison, WI

Therapeutic advances in glaucoma. Chairman and moderator of panel discussion. XXV International Congress of Ophthalmology, Rome, Italy, May, 1986

- **Poster Presentations**

Characterization of Femtosecond Anterior Capsulotomy Healing, AAO Orlando, 2011

Transepithelial Custom Ablation: The New Advanced Surface Ablation, WOC Hong Kong June 2008

Incidence and Severity of Posterior Keratoconus in 100 Consecutive LASIK Candidates Evaluated

Topographically. Sr. Author. American Academy of Ophthalmology Meeting, Orlando, FL., October 24, 1999

Invited Lectures

"Accommodative IOL's: What Can We Hope For and What
We Can Expect?" Jules Stein ASCRS Joint Symposium
Los Angeles, CA February 2009

"Are Phakic IOL's Safe?" Jules Stein ASCRS Joint
Symposium Los Angeles, CA February 2009

"Next Generation Wavefront Imaging: Diagnostic and
Therapeutic Applications", Jules Stein ASCRS Joint
Symposium Los Angeles, CA February 2009

"Femtosecond Follies: Lessons Learned Converting to all
Laser LASIK" Hawaiian Eye Maui January 2009

"What You Need to Know, What You Need to Look for"
Pentacam Grand Rounds Hawaiian Eye Maui January
2009

Are Phakic IOL's Safe? Refractive Surgery
AAO Atlanta November 2008

Presenter "The Merging of Femtosecond and Excimer
Technology (VISX and ZEISS) World of Congress, Hong
Kong June 2008

Presenter, "Correction of Presbyopia: Where Are We
Now?" World of Congress, Hong Kong June 2008

Presenter "US FDA Clinical Trial 5 Years Follow-Up with
ICL" World Congress, Hong Kong June 2008

Presenter "Enhancing Pseudophakic Patients with Laser
Vision Correction" World of Congress Hong Kong June
2008

Keynote Lecture "Are Phakic IOLs Safe?" AAO
Refractive Surgery SubDay meeting, Atlanta, GA,
November 2008

Invited Faculty "Advances in Corneal and Anterior
Segment Imaging" Cataract and Refractive Surgery
Symposium William Beaumont Hospital Breakfast with
the Experts, Royal Oak, MI May 2008

Invited Faculty "Phakic IOL's", Cataract and Refractive
Surgery Symposium William Beaumont Hospital
Breakfast with the Experts, Royal Oak, MI May 2008

Presenter "Intracorneal Implants" Refractive Surgery
Symposium ASCRS Chicago, IL April 2008

Invited Guest Speaker, "Pseudophakic Refractive
Management" EyeWorld Educational Symposium ASCRS
Chicago, IL April 2008

Invited Guest Speaker, "Reducing Retreatment Rates,
What is the Actual Cost" AMO European Experts
Conference Zurich, Switzerland March 2008

Invited Guest Speaker, "Pseudophakic Laser Vision
Correction" AMO European Experts Conference
Zurich, Switzerland March 2008

Invited Guest Speaker, “Staar Visian ICL/Toric ICL in Modern Refractive Practice” Jeddah, Kingdom of Saudi Arabia February 2008

Invited Guest Speaker, “Staar Visian ICL/Toric ICL in Modern Refractive Practice” Riyadh, Kingdom of Saudi Arabia February 2008

Invited Guest Speaker, "Pentacam, Map Reading and Interpretation" Refractive Rounds Phillips Eye Institute, Minneapolis, Minnesota February 2008

Invited Guest Speaker, “Advances in Corneal Imaging Technology”, Ophthalmology at the Crossroads Conference, University of Texas Southwestern Medical Center Dallas, Texas December 2007

Invited Guest Speaker, “Refractive Cataract Surgery: Do We Need Corneal Topography for This Too?” 14th Annual Meeting of the Canadian Society of Cataract and Refractive Surgery Ottawa, Ontario, Canada October 2007

Invited Guest Speaker, “Battle of the Bulge: Current Understanding of Corneal Ectasia”, 14th Annual Meeting of the Canadian Society of Cataract and Refractive Surgery Ottawa, Ontario, Canada October 2007

Key Invited Speaker, “Which is More Clinically Significant; Pupil Centroid Shift or Cyclotorsional Rotation” Asia Pacific Association of Cataract and Refractive Surgeons Annual Meeting Hanoi, Vietnam September 2007

Key Invited Speaker, “Pupil Centroid Shift: Is It Only Important in Wavefront Guided Ablations” APACRS Annual Meeting Hanoi, Vietnam September 2007
